ARCHITECTURE & ART
FLORIDA CHAPTER

An Invitation to Sponsorship
2018-2019

The Institute of Classical Architecture & Art (ICAA) is the leading nonprofit organization dedicated to advancing the practice and appreciation of the classical tradition in architecture, urban planning, and allied arts. Together, the ICAA's headquarters in New York and 15 Chapters across the country offer a diverse array of enriching programs for the benefit of professionals and lay people alike.

The Institute of Classical Architecture & Art, Florida Chapter, conducts educational workshops throughout the state as well as sponsoring the annual Addison Mizner Award. As part of a broad educational program the ICAA FL offers instructional workshops on the elements of Classical and Traditional Architecture, a lecture series on the Architecture and Urbanism of Florida and the Grand Caribbean and onsite drawing sessions of noteworthy classical and traditional buildings and places in Florida. In collaboration with the University of Miami, School of Architecture, the ICAA FL offers a course in Venice, Italy, dedicated to the study of the buildings, drawings and writings of the Renaissance architect Andrea Palladio.

The awards program celebrates the contemporary achievements in the fields of Architecture, Interior Design, Landscape Architecture, Urbanism, Craftsmanship, Patronage and Pedagogy in the state of Florida. The AMA is named after Addison Mizner, the architect whose civic and domestic works defined the standards of excellence in composition and craftsmanship for classical and traditional design in the early years of urban development in Florida. Addison Mizner's introduction of the Spanish Colonial and Mediterranean style left an indelible mark on the architecture and urban cultural history of Florida and, to this day, delights those who visit his buildings and urban places.

The Addison Mizner Awards are presented at an evening celebration in the Colony Hotel, Palm Beach, FL., a city very much shaped by fine examples of Mr. Mizner's work. The celebration attracts the finest national and international practitioners of Classical and Traditional design, as well as their patrons and collaborators.

We invite you to join us as a sponsor to bring a higher awareness and knowledge of the classical tradition in our state and celebrate contemporary work through the Addison Mizner Award. The highest level of patronage is the Henry M. Flagler Donor, named in honor of the great American industrialist whose legacy in Florida includes amongst the most noteworthy examples of Classical buildings and urbanism. Four additional opportunities, famous works by Addison Mizner in Palm Beach, are available for sponsorship of the activities of the ICAA Florida Chapter.

Your support has been critical to the success of the AMA in past years, and it is our hope that you will join us once again as a sponsor of this cultural program. We would be delighted to discuss with you the best sponsorship package in alignment with your objectives. Please do not hesitate to contact us with any questions you might have. On behalf of the Addison Mizner Award Committee, we thank you for your generous support and look forward to acknowledging your company as one of our sponsors on the evening of February 9th, 2019, in Palm Beach.
