

INSTITUTE OF CLASSICAL  
ARCHITECTURE & ART  
FLORIDA CHAPTER

## **An Invitation to Sponsorship**

**2019 - 2020**

The Institute of Classical Architecture & Art (ICAA) is the leading nonprofit organization in the United States dedicated to advancing the practice and appreciation of the classical tradition in architecture, urbanism, and allied arts. Together, the ICAA's headquarters in New York and 15 Chapters across the country offer a diverse array of enriching programs for the benefit of professionals and lay people alike.

As part of a broad educational Cultural program the ICAA FL Chapter offers instructional workshops, drawing courses and lectures on the elements of Classical and Traditional Architecture and Urbanism. The ICAA FL also sponsors The Addison Mizner Award designed to celebrate excellence in traditional architecture and urbanism in the state of Florida and the Caribbean in the categories of Architecture, Interior Design, Landscape Architecture, Urbanism, Craftsmanship, Fine Arts, Patronage and Pedagogy.

The AMA is named after Addison Cairns Mizner, the architect whose civic and domestic works defined the standards of excellence in composition and craftsmanship for classical and traditional design in the early years of urban development in Florida. Addison Mizner's introduction of the Spanish Colonial and Mediterranean style left an indelible mark on the architecture and urban cultural history of Florida and, to this day, delights those who visit his buildings and urban places.

The awards are presented at an evening celebration at The Colony Hotel in Palm Beach, FL, a city very much shaped by fine examples of Mr. Mizner's work. The celebration attracts the finest national and international practitioners of Classical and Traditional design, as well as their patrons and collaborators in our state.

We invite you to join us as a sponsor of one of the ICAA FL educational programs to bring a higher awareness and knowledge of the classical tradition in our state and to celebrate contemporary work through the Addison Mizner Award. Please refer to the Addison Mizner Award Events Sponsorship Opportunities document and The Individual Program Sponsorship Opportunities document which describe sponsorship opportunities with the ICAA FL.

Your support is critical to the success of the objectives of the ICAA FL to build a better Florida. It is our hope that you will join us as a sponsor of this mission. We would be delighted to discuss with you the best sponsorship opportunities in alignment with your objectives. Please do not hesitate to contact us with any questions you might have. The Board and membership thank you for your generous support and look forward to acknowledging your company as one of our sponsors.
